Exhibit "C"—Temperance

We, your Committee on Temperance, submit the following report:

Strong drink is degrading. It destroys our young people, the home life, and undermines the principles of the Gospel of Christ.

Strong drink defies the laws of the State and the Nation, and fills our jails and penitentiaries with the youth of our country.

Therefore, We, recommend, That each church, each member of the church, inform themselves of the laws concerning the manufacture and sale of intoxicating drinks and use their influence to enforce these laws, strictly, both in spirit and letter.

Furthermore use their influence in enacting other laws that shall make completely dry, both State and Nation.

And finally, We recommend, That we be temperate in all things, and abstain from all acts that may cause our brother to offend.

Committee: C. C. Farmer, Porter Garrett, W. A. Terry.

Exhibit "D"—Sunday Schools.

We, your Committee on Sunday Schools, submit the following report:

We believe that the Sunday School is or should be the church at work, studying and teaching the Bible, the Word of God. Cor. I:14.

Furthermore, we believe that there should be a Sunday School in every church in the bounds of the West Union Association and that each member of each church should be an active worker in the S. S.

Therefore, we recommend that each church in our bounds organize a Sunday School under the auspices of the church. Use Baptist Literature. Each S. S. is requested to report to W. U. S. S. annually.

Ministers and Deacons are requested to aid in establishing and maintaining these Sunday Schools.

Committee: J. B. Troxel, G. W. Owens.
